

California Proposition 65 Declaration

Dear Valued Customers,

California’s Safe Drinking Water & Toxic Enforcement Act of 1986, commonly known as Proposition 65, establishes a list of chemicals which the state of California’s risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm. Prop 65 requires the labeling of consumer products.

This Declaration is to inform Hudson customers that items produced by Hudson that are manufactured from the materials listed below contain the indicated chemicals. As our products are components to final consumer products, Hudson does not provide labeling for the final consumer products.

The Prop 65 chemical list can be found at: <https://oehha.ca.gov/proposition-65/proposition-65-list>

Be assured Hudson will continue to monitor Prop 65 regulations for any new chemicals. Hudson will compare any newly listed chemicals with the raw materials in our products and communicate this information to our customers.

Material	Nickel % wt/wt	Material	Nickel % wt/wt	Material	Lead % wt/wt
Cupro Nickel 715	30.93	Monel	63.5	Monel	0.0001
Cold Rolled Steel	0.067	MU	81	Phosphor Bronze	0.002
Hastalloy	57.6	Nickel	99.58		
Haynes 188	22.0	Nickel Silver	16.8		
Hy MU 80	80.2	Stainless Steel 304	8.22		
Inconel 600	73.28	Stainless Steel 316	10.0		
Inconel 625	58.0	Stainless Steel 347	11.0		
Inconel 718	53.0	Stainless Steel AM 350	4.5		
Inconel 750	70.0	Stainless Steel 410	0.1		
Kovar	29.0	Stainless Steel 17700	7.0		

WARNING: This product can expose you to chemicals including Nickel, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

WARNING: This product can expose you to chemicals including Lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
